Southern 5	Thames, Tairua * Coromandel* Whitianga, Hauraki Plains *,	348	281	1 diocesan, 1 ret.

These 25 Pastoral Areas were negotiated after clustering according to mass count, perceived compatibility and geographical proximity, followed by meetings of the parishes during the previous Pastoral Plan process. Parishes were asked to work together, to run joint programmes, share resources and support one another. Those ethnic communities which celebrate weekly masses in the areas have now been added to the list. There is still room for negotiation.
